VS

Joe Biden and sons, State of Colorado

I demand that the Federal Court order the State of Colorado to add Donald Trump to the 2024 election ballot as a contender for President; Whereas Colorado judges and politicians conspired to remove Donald Trump from the ballot as directed by the Bidens in an attempt to subvert the will of The People; whereas Donald Trump is winning in all the polls and is the undisputed leader of the Republican Party, and conspiring to deny the American public the opportunity to vote for Donald Trump undermines the integrity of our election.
